

Dr. Garima

Name: Dr. Garima

Designation: Assistant Professor

Qualifications: Ph.D. (IGDTUW), M.Tech (GGSIPU), B.Tech (GGSIPU)

Email: garima@msit.in

Area of Interest/ Specialization: Digital System Design, CMOS Digital Circuits, Biomedical Signal Processing, AI/ML

Experience: 9+ Years

Garima's research areas include Digital System Design, Artificial Intelligence and CMOS Digital Circuits. She has published several research papers in these domains. In her teaching career, she has taught numerous subjects like Electronic Devices, Switching Theory and Logic Design, Digital System Design, VLSI Design etc. She has also been part of various Institutional and Departmental activities.
