

Short Profile for website

Name of the Faculty: Dr. Upma Singh

Designation: Assistant Professor

Qualification: Ph.D. (Electrical Engineering),
M.Tech. (Instrumentation & Control), B.Tech. (ECE)

Brief Summary:

Dr. Upma Singh has been working in this Institute since 2013. She fulfills all his duties of teaching, administration and research with keen interest. She has taught several courses to B.Tech students such as Optical Communication, Control Systems, Communication Systems, Digital Communication, Electronic Devices, Mobile Communication, Adhoc and Sensor Networks, and Telecommunication Networks.

With a strong record of SCIE/Scopus-indexed journal publications, patents, and multiple Research Excellence Awards, she uniquely bridges theoretical engineering concepts and real-world AI applications, fostering interactive, industry-aligned learning.

Her areas of interest are Artificial Intelligence, Machine Learning, Modelling and Optimization of Hybrid Renewable Energy Systems and Applications, Conventional & Renewable Energy Sources, Intelligent Techniques, Power Electronics and Control Applications.
